

REGDUALOSA

Panel of Regions, Survey results

Information about the EU survey

- Open from 29 April 2024 until 15 May 2024
- Target: PRI territories. NUT2 & NUTS1 Regional Governments (Industry Dpt. or RDA)
- Total Replies 30. Consolidated in 23

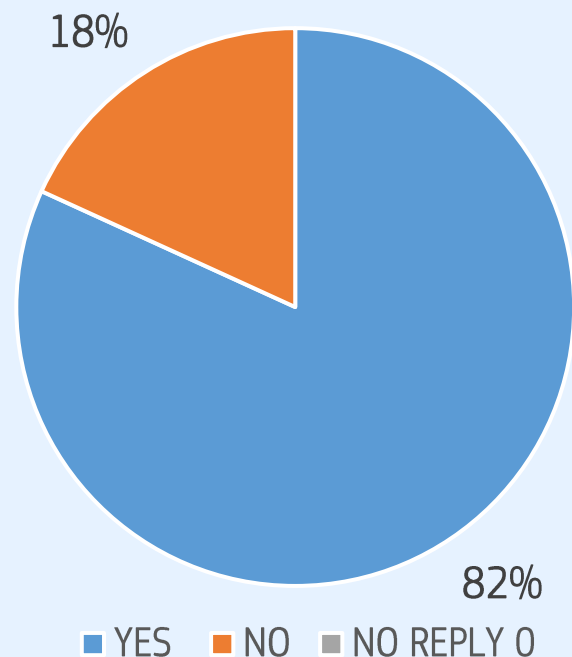

How would you assess defence and dual-use among your regional priorities?

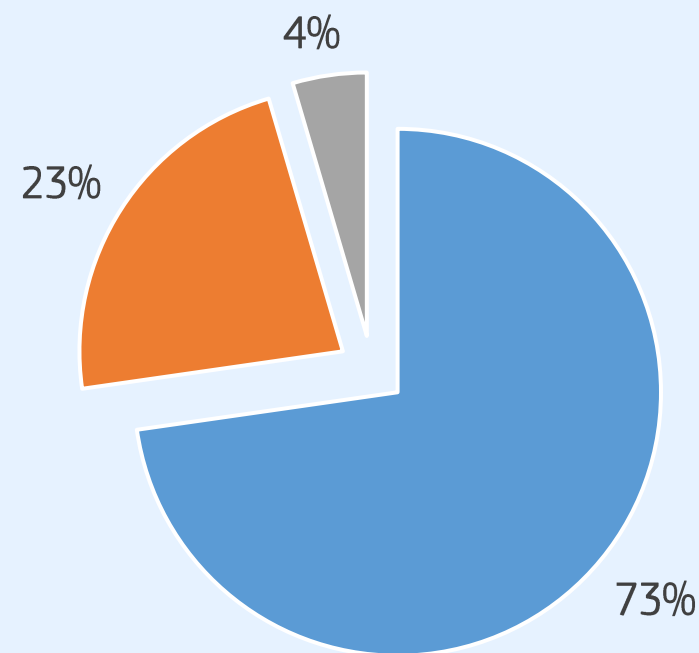

1. Is security an important issue in your region's further economic and social development as compared to sustainability and digitalisation?

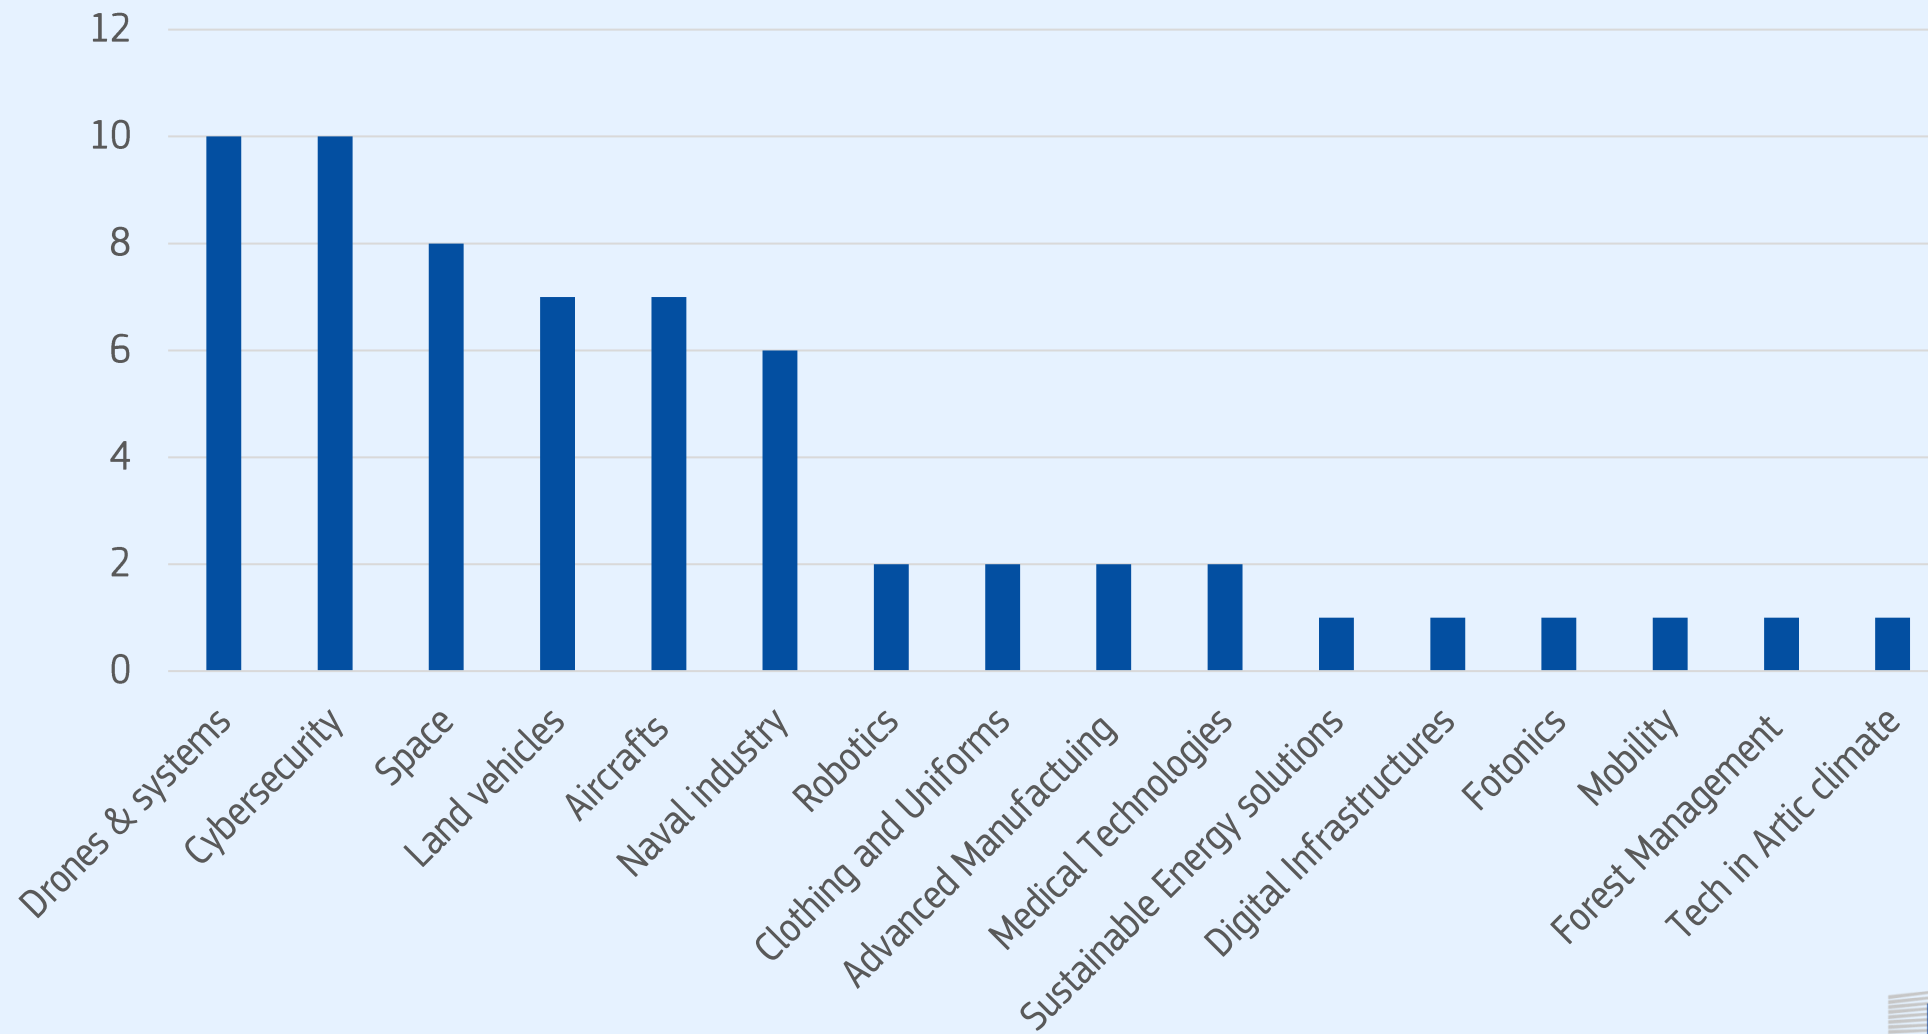

2. Was security before your country joined the EU an important issue in your country national defence policy?

3. Defence facilities in the Region

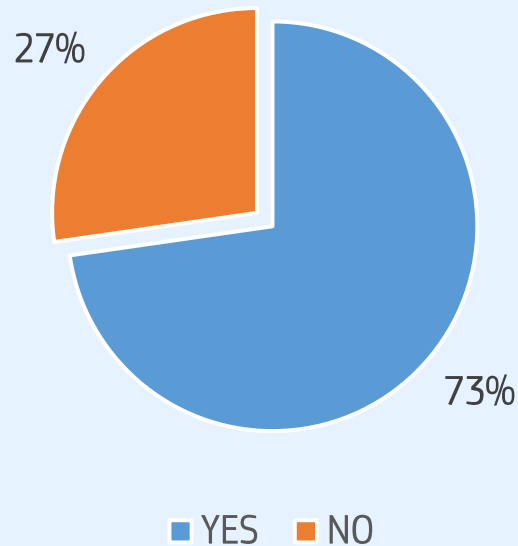

Dual-use industry in the regions

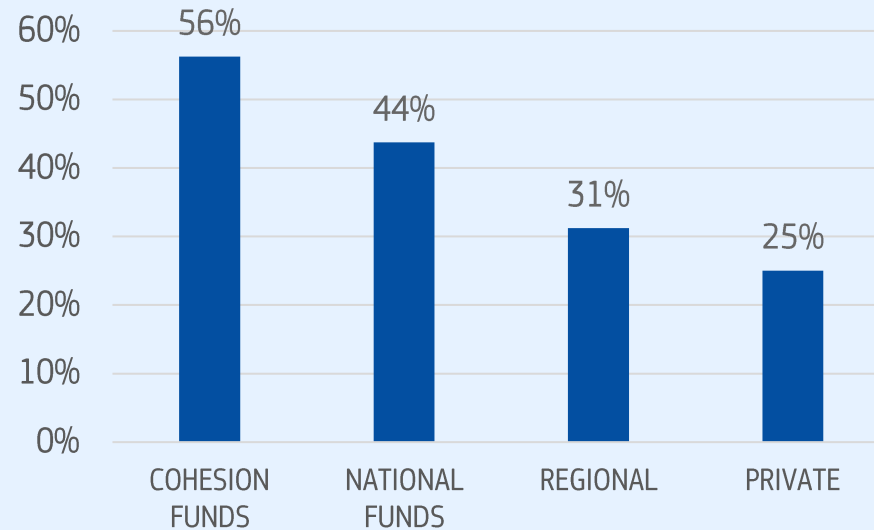

Funding dual-use and defence regional initiatives

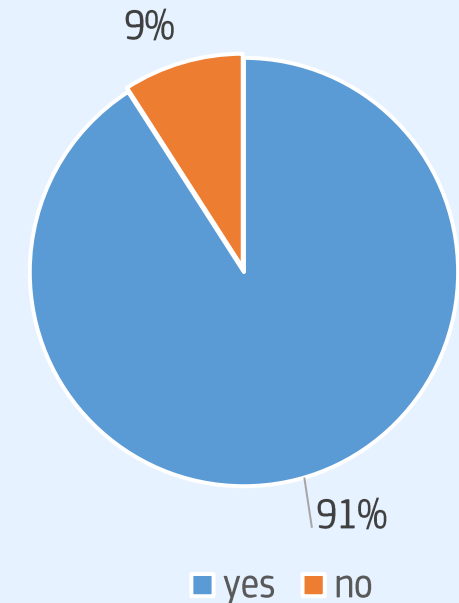

6. Have Regional/national policies contributed to the realization of Dual-Use Opportunities

7. Funding Sources

8. In your opinion, will your regional/national policies continue supporting dual use/defence initiatives in the long term

9 % correspond to Canary Island and Azores
